DENAIR Logo

"DE" in Chinese means "Germany". It represents that we produce air compressor fully according to Germany standard.

"N" in Chinese means "Durable" and "Long life". It represents that Our company pursues durable development, Our machines have long life.

"Air" is easy to understand. It represents that we professionally produce compressed air machines.

DENAIR Group History

In 1875, Germany Denair Group invented the first refrigerant compressor in the world.

In 1998, Denair Group set up an representative office in Shanghai, China to market the compressor unit made in Germany.

In 2006, Shanghai Denair Compressor Co., Ltd and Denair Compressor (Shanghai) Manufacturing Co., Ltd were established to produce and market air compressor and air compressor spare parts.

In 2009, Denair Group has set up many representative offices in main cities in China mainland and pioneered the 4S sales and service model in compressor industry. DENAIR has become a famous brand in China market from then on.

In 2010, Denair Group set up an international trading company and began to export air compressors and mining equipments worldwide. Until now, Denair machines have exported to more than 70 countries.

In 2013, Denair Group made an expansion strategy to build 12 representative offices worldwide within 5 years. The first overseas representative office of Denair Group has established in Surabaya, Indonesia.

In 2014, Denair Group planned to invest and build a new factory which covers an area of 30,000.00 square meters in Jiangsu province. It will be completed at the end of this year..

DENAIR Advanced Technology Certificate

ATN advanced technology certificate
Denair compressor won the honor of "Science and
Technology Advancement Prize"

CERTIFICATE

Of Science and Technology Advancement Prize

Name and Address of the Applicant

Shanghai Denair Compressor Co.,Ltd.

No.383, Tianmu (M) Road, Shanghai, China.

Name, Model And Specification

Oxygenerator, Ozonizer, Air Compressor,
Water Treatment Engineering

This is to certify that the above-mentioned products have won the honor of
"Science and Technology Advancement Prize"
awarded by Association Technologie Nouvelle France.

Date of Issue: March 31, 2007

Certificate No: 20073201

Authorized representative:

DENAIR ISO Certificate

ISO9001 the United Kingdom LRQA Certification
 From design, manufacture to delivery, Denair Compressor abides by the quality system of ISO9001.

DENAIR CE Certificate

CE European Union standard certification

Denair Compressor product design&production meet the standard of European Union.
